Porsche Approved

Warranty

Porsche Approved. We can't foresee the future. But we can guarantee its quality.

We are convinced of the quality of our sports cars. This is why the Porsche Approved Warranty provides you with a comparable level of reassurance as our new car warranty – and covers our sports cars for up to 15 years. Provided that they have passed the 111 Point Check. Further enhancing the value of your Porsche – and ensure maximum driving pleasure.

Incidentally, our Porsche Approved Warranty applies worldwide: It is effortlessly administered in every Porsche Centre, covering all components for 100% of the labour and parts. There is never an excess to pay in the event of a claim and nor is there any mileage limit once the policy is activated.

We guarantee:

- Worldwide validity
- Redeemable in every Porsche Centre
- Optional duration, 12 to 24 months
- All component repairs are covered, including parts and labour
- No excess to pay
- No mileage limit
- Coverage for Porsche vehicles up to 15 years old
- Only genuine Porsche parts are used
- Straightforward administration
- The warranty is fully transferable providing the car is sold privately or to a Porsche Centre

Porsche Approved Warranty.

In principle, the Porsche Approved Warranty covers a period of at least 12 months and can, of course, be extended provided your Porsche is no more than 14 years old and has covered less than 200,000km/125,000 miles. If your vehicle is less than 13 years old, you can choose a 24-month warranty period.

Even if you didn't buy your car with a Porsche Approved Warranty, or if the warranty has already expired, this can still be arranged through your Porsche Centre.

Vehicle preparation.

No-one knows a Porsche better than our technicians. Their standard is our technical test report: a checklist of 111 criteria which determine how much preparation is required. From the ABS through to the windscreen wipers, everything is scrutinised and, if necessary, of course, replaced with only genuine Porsche parts.

With Porsche Approved, you can enjoy pure driving pleasure with a technically excellent car complete with a new Porsche Approved Warranty.

Transparency: After all, what is a relationship without trust?

Like your car, we want to ensure your Porsche Approved Warranty also stands for reliability and trust. This means openly stating what will not be covered under a Porsche Approved Warranty and why. As a Porsche ages, it can undergo visual and acoustic changes without affecting its functionality (e. g. cracks in the leather).

Also certain parts are subject to ageing and natural wear. For this reason your Porsche has scheduled service and maintenance intervals.

Visual and acoustic concerns, wear and tear are not defects and are therefore excluded from the warranty.

The following are affected by wear and tear:

- Wiper blades
- Tyres
- Brake pads and brake discs
- Shock absorber
- Clutch disc and clutch pressure plate
- Drive belt including tensioning guide rails and roller
- Spark plugs
- Batteries
- PDCC reservoir
- Coolant
- All light bulbs (excluding Xenon and LED-lamps)
- All filters, fluids, oils and greases

Warranty guaranteed.

The Porsche Approved Warranty is only available after a technical and visual inspection and preparation to the Porsche Approved standard. Your Porsche Centre will be happy to provide you with further information.

Porsche Assistance.

Together with our warranty service, Porsche Assistance ensures that 24 hours a day, 365 days a year we're there for you. Whether you need roadside assistance or of course onward mobility, Porsche Assistance will take care of it.
